

PLEASE KEEP SHAVER CLEAN

Forest Etiquette

Pack it in, Pack it out

If you bring it into the forest, take it out. That means everything! Shaver is a small community with limited trash bins. Please take your trash home to help preserve the forest.

Take a trash bag with you to the lake

If you see trash, please pick it up. Would you want your child to step on broken glass or metal?

Pick up after your pets

There's no poop fairy in the forest.

**\$1000 FINE FOR
LITTERING!**

Don't be trashy!

Interested in giving back? Greater Shaver Lake Visitors Bureau has annual trash pickup days. If you are interested in volunteering, donating, or sponsoring the event, please contact us @goshaverlake on IG or FB

Thank you!
